

Proud Like a Mountain

(Music & lyrics by Peter Lenton © 2001)

I am proud like a mountain
Big as the sea
I will stand up
For all that I believe

And if I don't succeed
on the first or even tenth try
I will pick myself up
and try, try again

I am true like the sun
bright as the stars
I will shine down on you
Where ever you are

And if I fall down
at being a friend
I will pick myself up
and try try again

I am rich like the earth
full of good intentions
I will measure my wealth
in memories and friends

I will do my best to listen
lend a hand to you
and I'll stand by my name
on all that I do
